

A BILL FOR AN ORDINANCE

RELATING TO PUBLIC PEDESTRIAN MALLS IN THE DOWNTOWN AND CHINATOWN AREAS.

BE IT ORDAINED by the People of the City and County of Honolulu:

SECTION 1. Council Findings and Purpose. The purpose of this ordinance is to prohibit, subject to exceptions, persons from sitting or lying on public malls in the Downtown Honolulu and Chinatown areas.

The Council finds that the closure of certain streets or parts thereof to vehicular traffic and the creation of public malls promote the movement, safety, convenience, enjoyment and entertainment of pedestrians in areas with high pedestrian traffic. Public malls also provide passageways for pedestrians to access a wide variety of commercial enterprises, meeting facilities, recreational areas, and public and private services. Maintaining the flow of pedestrian activity on public malls ensures walkability, and generally allows pedestrians to reach their destinations.

Sitting or lying on public malls is not the intended or customary use of public malls. Persons who sit or lie on public malls threaten their own safety and the safety of pedestrians, who are put at increased risk when they must avoid and navigate around persons sitting or lying on public malls, or from unsanitary conditions resulting therefrom. Pedestrians are discouraged from using and enjoying public malls, and from walking as a means of transportation or recreation if they know that they will be impeded by persons who are sitting or lying on the public malls.

SECTION 2. Section 29-___.1, as enacted in SECTION 2 of Ordinance 15-1, is amended to read as follows:

"Sec. 29-___.1 Prohibition—Exceptions—Citations.
